

Dear Freshman Football Parents,

July 28, 2010

Attached you will find a list of assigned dates for snack bar shifts. These are assigned to be fair to all parents. By setting a schedule we are able to make sure that there are an even number of parents at each game. You will find your son or daughters name on the list under specified dates and will be expected to have an adult representative ( two if possible) at the snack bar no later than 6:15 PM that evening. We will be there to go over the details at that time and make sure everybody is clear on how everything works and what to charge. It is very important that you be there for you sons scheduled nights. Only under very extreme circumstances will we be able to make schedule switches. *As you will recall at the very first meeting Coach Maceranka made it very clear that freshman parents would be responsible for working the snack bar on our home games.* Still we do understand that there are emergencies in our lives and if you have one we would appreciate a call as early as possible so that we will have the opportunity to find a parent to help us out and we will then, reassign you.

The snack bar is one of our largest fundraisers of the year and helps pay for awards that the boys will receive throughout the season and at the awards banquet as well as equipment that we are still acquiring as a new football program.

Thank you very much and we look forward to meeting and getting to know all of you as the season progresses. If you have any questions please feel free to call us and ask. We may not know the answer right away but we will do our best to find one or head you in the right direction. **Your Freshman representative for this season is Patty Kloumis you can contact with any of your questions. Her email is: sfhsjaguars2010@yahoo.com.**
