

SEGERSTROM FOOTBALL MANDATORY PARENT FORM

ATHLETE'S NAME: _____

I realize that the Jaguar Football program is available to my son/daughter because of the parent's willingness to volunteer time. Segerstrom Football Program must count on help from **EVERY** family.

To insure a successful experience for everyone involved in Jaguar Football, it will be necessary for each parent to realize the commitment his or her athlete must make. Parents will be asked to get their athlete to EACH practice on time during summer. Freshman parents will be expected to work the snack bar at the Varsity home games on a rotation basis. All parents and athletes will be asked to assist with fundraisers.

Segerstrom Football must count on **EVERY** parent/guardian (you) to fulfill his or her sons/daughters obligations to finding sponsors for fundraisers, returning all necessary paperwork required, and returning Segerstrom football equipment at the end of the season. Failing to fulfill these obligations is asking someone else to fulfill them for you.

Any check that is written to Jaguar Football that is returned unpaid must be redeemed by cash within ten days with a \$20.00 check return fee, or it will be turned over for enforcement and collection.

At no time will any parent be allowed on the practice field or game field. This is for everyone's safety. If you need to speak with a coach please do so by arranging time with the coach. Coaches will not be available on game days for meetings. They are busy preparing your athlete so that we will have a successful season. You can e-mail each coach to set appointment. An e-mail link is available on our football website SegerstromFootball.com.

We want all our kids to have a great experience in our league. Having a successful team requires the cooperation of every family. Bad attitudes and disruptive behavior will only hurt the team. Please talk to your athlete about proper behavior and respect for adults and teammates. Unacceptable behavior will result in your athlete not being able to participate in our program.
